MEMORANDUM FOR: Economic Defence Intelligence Committee

FROM : Executive Secretary, EDIC

SUBJECT : EDIC Inventory of Economic Defense Intelligence Projects

- I. It was agreed at the 21 October meeting of INO (EDIO) thattthe Executive Secretary would "andertake on a trial basis the preparation of a monthly inventory of all projects completed or in process within the intelligence community which are considered directly relevant to the needs of the economic defense program." It was agreed also that members "assist in this project by supplying the Executive Secretary with a copy of any such inventory produced by their respective agencies."
- 3. This matter has been discussed at length with the BIC Secretariat and the Connerce, CID, ECD and CIN members have been informally queried.

  These conversations disclose that:
- a) The EIC projuces an annual and semi-annual report of research projects (internal and external) on the Seviet blee. Agency contributions to these publications reach the EIC Secretarist through established channels. It is suggested that these channels could be utilized to obtain inventory contributions on a quarterly, rather than semi-annual basis, from member agencies of EDIC.
- busis. Requests of such a re-occurring mature would constitute a source of annoyance to producing agencies and the status of projects does not materially change at such frequent intervals.
- c) The BIS Secretariat request form (attached as Appendix 1) sould be medified to incorporate a detailed breakdown (see Appendex 2) Approved For Release 2000/08/26: CIA-RDP62-00328A000100490077-9
